I. Facility Use Guidelines

Use priority and occupancy of Agricultural Center Harvest Hall and ground property shall be for **agricultural, Agri-business, agricultural education purposes, exhibiting and advertising farming, agriculturally related manufacturing, livestock raising and other resources of the county.**

Governmental organizations may use the facilities and grounds for official purpose. Groups would also be allowed to use the facility for special events if officially co-sponsored by a County department. Official co-sponsorship of an event by a department implies that the event promotes the department's mission and purpose, and that the department assumes responsibility for the care and oversight of the facility during the event. The following guidelines apply to all the users of the facility.

1. The rental fee plus a security/cleaning deposit is to be paid in full within 24 hours of approval to use facility. The security/cleaning deposit will be returned if no damages result from the use of the facility. Any repair costs not covered by the security/cleaning deposit will be charged to the responsible renter. Checks must be made out to the Stanislaus County Ag Commissioner.
2. Basic rental fees include cost of normal staffing, utilities, and maintenance and custodial. Rental agreements are considered an estimate of costs. If the facility manager determines additional personnel are needed to operate or clean after an event, the renter is responsible for these additional costs.
3. Waiving of rental fees will be limited to governmental and non-profit organizations conducting an event that is officially co-sponsored by a county department. Non-profit organizations that are requesting fee waivers must provide their tax-exempt number.
4. Cancellation shall be made 10 working days prior to the first day of use and shall be made with the administrator in charge of the facilities.
5. Any group or individual requesting the use of any portion of the Stanislaus County Agricultural Center must have **general liability insurance in the amount of \$1,000,000 for each occurrence.** A certificate of insurance naming the County as optional named insured must be attached to each request to use the facility. Groups who do not carry their own insurance must secure Special Events' Coverage and pay fees and deposits as required by CEO Risk Management Division.
6. All users of the facility shall be required to sign a rental agreement prior to using such facilities and grounds.
7. The person signing the rental agreement must be at least 18 years of age and an authorized representative of the organization.
8. Any user planning to sell alcoholic beverages must submit a written request to the County Chief Executive Officer, 1010 10th Street, Modesto CA 95354, asking permission to have alcohol on the premises. Sales of drinks or tickets must meet the Department of Alcoholic Beverages Control requirements for temporary licenses. You must then have at least two Security Guards at the event.
9. All buildings are "non-smoking" facilities. Smoking is prohibited within 20 feet of main entrances, exits and operable windows. All users must comply with current smoking laws.
10. Stanislaus County reserves the right to require users of the facility to provide professional security agents as deemed necessary.
11. Decorations must not be attached to the buildings by using nails, staples, tacks or cellophane tape. Masking tape is permitted.
12. Everything brought into the building or onto the grounds by user (food, beverages, decorations and trash) must be removed at the conclusion of the event.
13. Youth groups must have adult chaperones present.
14. Use of the Stanislaus building conference rooms (H & I) are for the county departments and tenants located in the Stanislaus and Tuolumne buildings.
